No, the online registration and the on-site registration are required as well. The on-site registration means that:

- If it's your first competition we have to check an ID card with a picture to check your identity, your correct Name, Birthdate.
- If you have any debit from former competitions you have to pay it there.

**10) When should I arrive to the competition?**

You have to arrive at least 20-30 minutes before your first event, because registration can take for a few minutes. No, because only competitors are allowed to judge and scramble, and on the other day you will not be a competitor.

No, this number is valid for the total number of the registered competitors.

- On Sunday only one guest per competitor can stay at the venue.
- Competitors need to write the name of this 1 guest in the "Comment" box during WCA registration.
- The guest ticket for Sunday costs: 1.000 Ft
- Competitors can modify the name of their guest for Sunday morning until the 22nd of March, 2019 15:00 on the hungarianopen.info@gmail.com e-mail address.
- If a competitor writes more names in the "Comment" box, we will use take only the first name valid.
- There is no need to give the names of those guests who will come on Friday/Saturday only!
- If on the 22nd of March, 2019 15:00 there is a guest name given with your registration, you will have to pay the guest fee, even if your guest doesn't show up. (In case nor you nor your guest will show up, you will have to pay the guest fee at our next competition.)

This rule is needed to ensure the comfort to the competitors which they need. Last years there were so many guests in the room that there were competitors who could not sit down.
